**PERSONAL HISTORY AND BIOGRAPHY QUESTIONNAIRE**  
Adopted Person

When working on your behalf reconnecting with or searching for birth relatives, it is helpful to have some personal information about your current circumstances. Your answers to the following questions will assist us in serving you throughout the process. Additionally, we will be better required to represent you should contact be made with a birth relative. The non-identifying information you can provide may be shared with your birth relative.

Name: \_\_\_\_\_

1. Marital status:
